### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 1-13 and 15-26, no prior art of record or combination thereof teaches an inductor element comprising two conductors; the two conductors having corresponding shape and are formed in piles on a substrate; "the two conductors being insulated from one another and are connected with each other at one opposite end", wherein one conductor being apart from the substrate is used as an inductor conductor, the other conductor being interposed between the inductor conductor and the substrate, and a conductive lead wire of the inductor conductor extending between the other conductor and the substrate, "the other conductor having an unconnected end."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
